Subject: New Bulgarian Phytosanitary Certificate for export and re-export

Dear Sir/Madam,

Bulgarian Food Safety Agency informs you of a revised format of phytosanitary certificates for export and re-export, in connection to the Regulation (EU) 2016/2031 of the European Parliament and of the Council on protective measures against pests of plants.

The new phytosanitary certificates will be issued by the phytosanitary inspectors of the BFSA **starting on January 1st, 2021.**

Given the fact that that shipping time may be prolonged, it is possible to receive consignments after January 1st, 2021, accompanied by the old model of phytosanitary certificate. Therefore, we kindly ask you to check the date of issuance of the document upon arrival of the shipment.

Enclosed we send you scanned copy of example of the new phytosanitary certificate for export and scanned copy of example of the new phytosanitary certificate for re-export.

Enclosed: according to the text

Sincerely Yours,

PROF. DR. PASKAL ZHELYAZKOV, PhD
