**Dear Mr. Yunus BAYRAM**

Subject: Phytosanitary requirements for importing Fodder pea seeds to  
Islamic Republic of Iran

Please find the attachment on the phytosanitary requirements for importing Fodder pea (*Pisum sativum*) seeds from Turkey to I.R. Iran. The import will be possible with mentioned requirements and inspection will be carried out by plant quarantine officials at the customs entry points.

Sincerely

**K. Changalvai**

**Phytosanitary requirements for importing Fodder pea (*Pisum sativum*) seeds from Turkey to Iran**

1- Valid phytosanitary certificate from Turkey, in which freeness of consignment from the following pests is indicated in the Additional Declarations:

- *Xanthomonas axonopodis* pv. *phaseoli*
- *Pseudomonas savastanoi* pv. *phaseolicola*

**Note: The scientific name of the above mentioned pests should be indicated in the phytosanitary certificate, otherwise; the documents are considered as incomplete. Moreover, any financial customs losses and non-delivery of the consignment due to the non-compliance are to be borne by the importer/s.**

2- Disinfection of the consignment with a suitable fungicide in Turkey and indicating its particular features in the relevant phytosanitary certificate.

3- The consignment must be free from soil, crop residue, weed seeds, live insects and plant disease symptoms.

4- Each part of consignment must be properly packed and labeled including the scientific name of plant (genus and species).

5- Delivering the original phytosanitary certificate with mentioned requirements as well as other necessary documents to quarantine officers at the time of inspection of the consignment in destination border and customs clearance is mandatory. Otherwise, the importer will be found responsible.

6- If the consignment is of any infections which could be disinfected by quarantine officer expediency, the cost must be borne by the importer; otherwise it is destroyed or returned to the country of origin.

7- Passavant of the consignment to domestic customs will be authorized only after investigation and confirmation of original necessary documents in the entry border.

8- If the consignment is exported via a third country, a copy of phytosanitary certificate of the first exporter country stamped by the second exporter country officials accompanied by the original Re-exporter certificate must be presented to quarantine officials at the point of entry and to the customs clearance office.

**Note: The declared conditions have been issued as per contents of article 11 of plant protection act regarding plant quarantine issues and the importer is obliged to observe other rules and regulations related to import.**
